The Appomattox County School Board officially released W. Thomas Johnson from his contract on June 30, 1973 in order that he could accept a position with the State Board of Education in Richmond.

"Tommy" Johnson, former principal at Appomattox Elementary School, has accepted the position of Assistant Supervisor of Vocational Education with the State Department of Education and will assume his new duties effective July 16th, according to an announcement from Lloyd Walton, new Superintendent of Appomattox County Schools, on Monday morning.

Twilight Golf Tourney Set For Couples July 15th

A "Couples Twilight Golf Tournament" for members of theFalling River Country Club in Appomattox has been set for Sunday evening, July 15th, at 5:00 p.m. with a picnic following tournament play.

The entry fee has been set at $3.00 per couple and each of the ladies are asked to bring a covered dish of either a salad, vegetable or dessert. Meat and drinks will be furnished by the club.

Participants must sign up in the club house no later than July 11th. For further information call Jackie Robinson at 352-5581 or Bernie Chartrand at 239-8823 in Lynchburg.

This tournament will consist of nine holes of play with shotgun start. Each team will consist of one female member and one male member, not necessarily related. After the ball selection is made, they will alternate shots, playing one ball, until the hole is finished. Other than this, all regular club rules will apply. First, second and third place prizes will be awarded the winners.

The golf course will be closed to regular play at 4:00 p.m. on the day of the tournament. In case of rain, the tournament will be played on Tuesday, July 17th.

Canneries Opened On Monday, July 2

The Appomattox School Cannery and the Pamplin Cannery officially opened for the season on Monday, July 2nd. Both the canneries will operate from 8:00 a. m. until 5:00 p.m. Monday through Friday.

Instructors at the Appomattox School Cannery will be Mrs. Mary Anne McFadden and Sam Davidson. The instructors at Pamplin Cannery will be Mrs. Bertha Dickerson and R. C. Beale.

Cans will be available at both canneries. Prices of the cans on opening day will be 10c each for the #2½ cans and 9c each for the #303 cans.

Patrons are requested to bring their own equipment with them needed for canning such as knives, pots, pans, towels, and seasoning materials.

Last year's production at the Appomattox Cannery was approximately 35,000 cans and the production at the Pamplin Cannery was approximately 33,000 cans. This is the smallest production that the local canneries have had in several years and it is felt that this was due to the flooding and excess moisture last year.

116 Units of blood needed

When the Red Cross Bloodmobile makes its first visit of the new fiscal year to Appomattox County on Tuesday, July 10th, 116 units of blood will be needed in order for our county to reach its quota for this first visit.

The quota for the new fiscal year has been set at 465 units of blood, an increase of 86 units over the past year. There will be four visits during the fiscal year with the quota of 116 units set for each of the four visits.

During the last fiscal year, for the first time in several years Appomattox County failed to reach its quota.

The increase in the quota for our county is based on the number of units of blood used by county residents from the blood bank. With open heart surgery being performed more frequently now and with the ever rising increase in the number of accident victims, blood is urgently needed.

You can really help out if you will take a few minutes of your time on Tues., July 10th, and go by the Liberty Baptist Church anytime from noon until 6 p.m. and donate a unit of your blood. Let us help to make sure that no hospital will be short of the life-saving blood kept in their blood banks. it is easy to donate blood, it is fast, it is painless and it is urgently needed, possibly even more during the summer months when people are vacationing and more accidents are happening.

The Appomattox Junior Woman's Club is again sponsoring this worthy project. Mrs. Ruby
